

District 25 Panel 69 – DCM Report
January 8, 2019
(Joint Report with ADCM)

The DCM and ADCM began their report jointly by jointly welcoming all the GSR's to the District Meeting and the beginning of the new District Panel Term. Since this meeting marked the transition to a new panel, it was explained that there would not be a formal report other than that both the DCM and ADCM attended the Quarterly Area 59 Committee Meeting in December in place of the outgoing DCM from the previous panel. It was also announced that the DCM had been assigned to the Area Corrections Committee and the ADCM had been assigned to the Area Ad-Hoc Literature Committee.
